

**EMPLOYEE ACKNOWLEDGMENT**  
**General Safety Guidelines for Production**

**Production Name:** \_\_\_\_\_

(Turn in to Production Office Coordinator upon completion.)

See your Supervisor if you have questions or need training.

**I understand:**

- If I am a member of a Local requiring Safety Pass training, I attest to having received all mandatory training and my training is current.
- I have received and will abide by the General Safety Guidelines for Production.
- I will not operate any machinery that is not in good working order. Any deficiencies I notice will be tagged and brought to the attention of my supervisor.
- Additional safety guidelines are available from my supervisor or [www.domesticproduction.com](http://www.domesticproduction.com), These guideline include:
  - Aerial lifts – including condors, scissor lifts, man lifts.
  - Working from heights – including ladders, soundstage permanents, rooftops and scaffolding.
  - AMPTP Safety Bulletins.
  - Codes of Safe Practices for numerous activities.
  - Tool Box Talks

**IMPORTANT!**
